BIG OFFER.

We call the attention of our readers to a remarkable club offer we are making in another column for the winter's reading. We are offering a value of $2.50 for $1.00. We hope all our old friends who have gotten in arrears will take advantage of this offer and pay up in advance for the paper. Be sure to read the offer.

The Toledo Blade says the country is "debating statutes of the enumerated powers" when it should be debating how it will settle the currency question before Congress gets fairly started on the work." And just about as satisfactorily.

We acknowledge the receipt of a copy of the Virginia School Report from state Superintendent Eggleston, which shows that thrift and energy can characterize the department.

The re-districting bill has passed the House of delegates which puts Craig county, Gideon Jim and Campbell's county in this Congressional district. Our other county, Floyd, is added to the 5th. This leaves the 9th district hopeless Republican and strengthens the 5th and 10th Democratic majorities.

Mr. Roosevelt is mad again and lets have his wrath in the form of a letter. He no doubt fancies that his is righteous wrath, and so say some of his friends and admirers while the great body of his fellow citizens recognize in it every day and ordinary politics. You can't fool all the people all the time.

The brothers of the North are kind enough to say that the time has come when the South is entitled to the Vice-presidency. Thanks. That's very, very kind, but we would advise that it must "surely" be a Democrat, as the only Vice-president from the South since 1860 was a Republican and was beastly drunk when he took the oath of office.

To Be A Man.

To be honest, to be kind—to earn a little and to spend a little less; to make, upon the whole, a family happier for his presence; to renounce when that shall be necessary and not be embittered; to keep a few friends, but these without capitulation, and above all to keep friends with himself—here is a task for all that a man has of fortitude and delicacy.—R. L. STEVENSON.

Looks Good for Tucker.

A member of the U. C. T. writes that at the Cavenaugh Hotel in Harrisonburg, last week, a straw vote was taken for Governor, which resulted "16 for Tucker, 3 for Mann and 1 for Stuart," and that this shows practically the position of the travelling men of Virginia in this matter.

What Taft Might Do.

No man who knows Secretary Taft can suppose that he favors his present situation. His closest friends say that he makes no secret in private, of the fact that his political relations to the President he finds highly embarassing. But does not the clear remedy lie in his own hands? We honestly believe that even now, a quiet withdrawal from the Cabinet, with a frank statement to the country that he did not wish to be nominated to the Presidency, either by executive decree or by the Federal machine, would vivally recall to the people those virtues of Secretary Taft which now seem so needlessly clouded, and make his chances of nomination, or, at any rate, of election if nominated, much better than they now are.—N. Y. Post.

Unadulterated nonsense. What politician hopes to win by cutting loose from the "ring?" What sane man but would have a President his friend in his search for office? The ass knows his owner and the boy his master's crib."

The present Legislature of Virginia is one that will not soon be forgotten. Democrats are urged to endorse a man for the high position of Corporation Commissioner who in our opinion is not a proper person for the place. The cry is made save Governor Swanson who appointed him, save the Democratic party and finally save Judge Rhea. May we be permitted to add, gentlemen, God save the Commonwealth of Virginia!

Getting Better.

Undoubtedly the moral tone of American politics is improving, for some time it has been the custom for both parties to open their state Conventions with prayer, but now Wisconsin Democrats have gone a step further. They have taken up a collection in their State convention.—New York Herald.

That is the "barrel" has been opened, and this on call better polities. In our opinion it is emphatically a misnomer.

"Politics Make Strange Bedfellows."

Of the President's message the Richmond Evening Journal has this to say:

"The message of the President is a faint echo of the doctrines which Mr. Bryan has been inculcating up and down the land for years. It is a rotating in which that redoubtable statesman has not proclaimed time and again, and in more forceful language. Every paragraph is a small dit o of some utterance of the great Nebraskan. Like the faithful of God, Mr. Bryan has cast his bread of trenchant wisdom upon the waters of the land long years and here is the return in a message by a Republican President to a Republican Congress and of the people cry aloud, Great is Allah. But Allah is not Roosevelt, he imitator. Allah is Bryan, the prophet. Leuthen but a little in message, odd a few ideas which no doubt put the President entertain, but does not advance, and the man who can endorse the doctrines has amended can stand on the platform which bears aloft Mr Bryan."

Why not make it a Democratic platform, put Br. an on it and sweep the field.

Buckingham Man After Wealth

Heir to his father's share of a $100 000 estate and penniless, famished and ill, Frank Alfred Brown, a young farmer, who has a twenty acre place near Appomattox Courthouse, Va., staggered into New York today after beating his way over three railroads and across ferries.

First, he wants to find his father, Alfred S. Brown, who is supposed to be in New York. Then he wants him to make provisions for his mother, who is a domestic in Brooklyn, and also for himself, his wife and three small children. It has been several years since he saw his father and six years since he saw his mother. Brown was an odd looking figure to the crowds on Park Row as he moved along garbed in the typical working clothes of the farmer, heavy odd boots, fur cap and minus an overcoat. He is not a Southerner, but several years' residence in the historic battleground section has developed him into the typical rural man.

He has a railroad time book, every page of which is covered with notes with some events in the life of the last three generations of his family. His children's birthdays are therein inserted and articles telling of the wealth and peculiarities of his grandfather who died at the age of ninety-six years, leaving the $100,000, have been covered into it.

To-morrow Brown will walk over to Brooklyn to see his mother, who is well along in years. He has a brother in Oklahoma whom a farmer. His uncle, Mortimer R. Brown, executor of the grandfather's will lives in Brooklyn, but refuses to acknowledge Frank or his brother Paul S. Brown, Jr., named after his grandfather.—N. Y. Special to the Times-Dispatch, Feb. 19th.

There are some curious stories going the rounds about the young man Brown. Frank Alfred Brown was raised in Buckingham county, his mother was a Miss Lena Wade, daughter of Jno Wade, a Confederate soldier. He left here many years ago and nothing has been heard of him since. F. A. Brown came here and married a MissGunter whose relatives live here. His wife is still here. Frank left here about two weeks ago—took train at this place, saying that he was going to New York. He returned last Saturday and paid his store accounts here, and left for his home, which is about 16 miles from here, on Gunter's mountain, where he owns a farm. It is said he had h boots full of large notes, some say several thousand dollars. He is now at home with his wife and children.

A Mineral Water that Defies Drugs

NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants are in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness,** Malaria, Kidney or **Bladder Trouble, Chronic Diarrhoea or Dysentery,** and above all, that dreadful disease **Scrofula,** which has almost baffled human skill, or **Diseases peculiar to Females?**

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick,** and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics,** could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then **why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar.** The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases numerated above, and many more, evidently through its action as a powerful **BLOOD TONIC.**

We have many valuable certificates, which we will be glad to mail you are interested.

The deceased was 65 years of age and lived and reared a large family in this county on Reedy Creek. His remains were brought here and interred at Reedy Spring church Saturday. The deceased was a Confederate soldier and was favorably known in this county.

A quiet marriage took place on this county on Reedy Creek. Mis George Staples at Concord, when her daughter, Miss Jone Staples became the bride of Mr. Robert Bingham, of Georgia. The ceremony was performed by Rev. W. E. Jett, pastor of the Methodist church. The parlor was beautifully decorated for the occasion. After the ceremony a sumptuous wedding breakfast was served. The couple left on No. 3, for the home of the groom in Georgia.

Mrs. Ella Wingfield, wife of A. S. Wingfield died at her home near Vermilion yesterday. The deceased was a Miss Callahan and was about 50 years of age. She is survived by five children and her husband as follows: Misses Mattie, Elia. Mary, Sallie and a little seven year-old girl, who have the sympathy of a wide circle of friends. The will take place a' her late home this evening at 2 p m. She was a faithful worker in Herman Methodist church and she will be missed in the county.

A Serious Charge.

Tobey George, an Italian, and Mary E Salling came to Concord Saturday from Scott county on matrimonial intentions. Miss Salling, who alleges that she was one of the legatees in an estate which has been settled in Scott county and her share of the money was $200.00 brought the cash along with her, and her lover who is much her junior, spent Friday night in Lynchburg. The wedding was arranged to take place at a camp meeting at Concord, and on Saturday they struck for the camp. It seems that George balked and decided to have the money and not the woman so he forcibly took it from her and left his lover, who reported the affair to Mr. Douglass Hamm, and he in company with some other gentlemen boarded a freight train and overhauled George just before he reached Spout Springs. When the guns were drawn on George he surrendered and gave up his cash, about $13. He was searched further when taken back to Concord and $80 was taken from each sock.

George had a hearing before Justice Moses Saturday night and was sent on to the grand jury having the serious charge against him of highway robbery. His lover left on the night train for her home in Scott where she says she will stay. George is now in jail here. No one here can understand what he says and an interpreter will have to aid him if he should desire to testify.

Farms for Sale.

No. 25. 325 Acres. $10,000.

This is certainly a handsome property, fronting, as it does, along the main county road for a long distance, and within a few miles of church, telephone and railroad station. The land is nice and smooth, finely watered, on hand and every necessary outhouse, all in perfect condition; 100 acres, the cream of it, probably under cultivation. There are two residences on the place, one a very comfortable tenant house, with chimneys at each end, containing four rooms each. The main residence is one of the best in the county of Virginia, constructed of the best material and contains 9 rooms; it sets on beautiful shade, with a fine spring of water supply nearby. The outhouses and surroundings are the eyes of visitors of beauty. It is the cheapest property of size in the state. $10,000 would be cheap for it.

No. 184. HOTEL PROPERTY. $2,500

This is a splendid hotel proposition or would make a fine residence for a family. Situated in the town and run a farm or stock business. The house is in splendid condition and very convenient; it has seven rooms and every convenience; it is situated in one of the busiest towns along the N. & W. Ry. It is a great bargain at this figure.

No. 22. 150 Acres.

This is one of the very best small farms in this section of Virginia; one hundred acres stand in grass at this time; it is in the pink of fertility and will produce a crop of hay that will greatly improve the farm. It is worth at least $50 per acre. About 30 acres remain in timber, and practically all of the rest of the farm is under cultivation. It is situated on the main county road, and is convenient to schools, churches, post office, stores, etc. There are no buildings on the place. Good timber and saw mill are near at hand and could be had at a reasonable price. This is a bargain for some one looking for a small farm. Mr. Charlotte Hall sp passes through the property. It is twelve miles of Pamplin City, Va., & W. Ry., and seven miles to the Tidewater R. R. This is a fine property for some one desiring to make a fine home for some one.

Remember this farm is in a high state of cultivation and is well worth cash, and the purchaser who locates upon it can go right ahead and make a crop. It is a bargain and will be sold for actual value that is in a hurry.

No. 197. 315 Acres. $3,780.

This property is situated 3 miles of one station and 7 miles of another station on the Southern R. R. It is a good farm, well watered and fenced; has 200 acres in wood, not much timber; fine orchard of 500 trees; 3 good farms for tenants and owner; one farm now operated on shares; good outhouses; 2 tobacco barns and corn house. The owner's residence is a handsome frame, two-story and basement with tin roof in splendid repair, containing 7 rooms; the lawn is beautiful and shady; the out-buildings consist of granary, stable, carriage house, poultry house, ice house, dairy, one-house, two-room, servants. Also one tenant house of 4 rooms, all in good condition. This property offers a fine investment as well as a splendid Virginia home.

Deafness cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restor ed to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circulars free.
